Dear Sir,

A lady friend of mine is very desirous to obtain for a very particular purpose 6 dimes & 1 quarter of the year of 1869.

I have made every effort to procure these coins through Bullion brokers and other sources, but have not succeeded so far.

Would you have the kindness to inform me whether these denominations were coined in that year? If not, any further search would of course be fruitless.

Hoping to be favored with your reply I remain, dear Sir,

very respectfully yours
